O que é Nexti Prime?

Nexti Prime é toda parte que envolve a Mesa de Operações,, Ponto online/offline através do TBI/Aplicativo Mobile, Carimbo do Tempo, Certificação digital, Dashboard,
Aplicativo Mobile/APP e Portal do Colaborador.

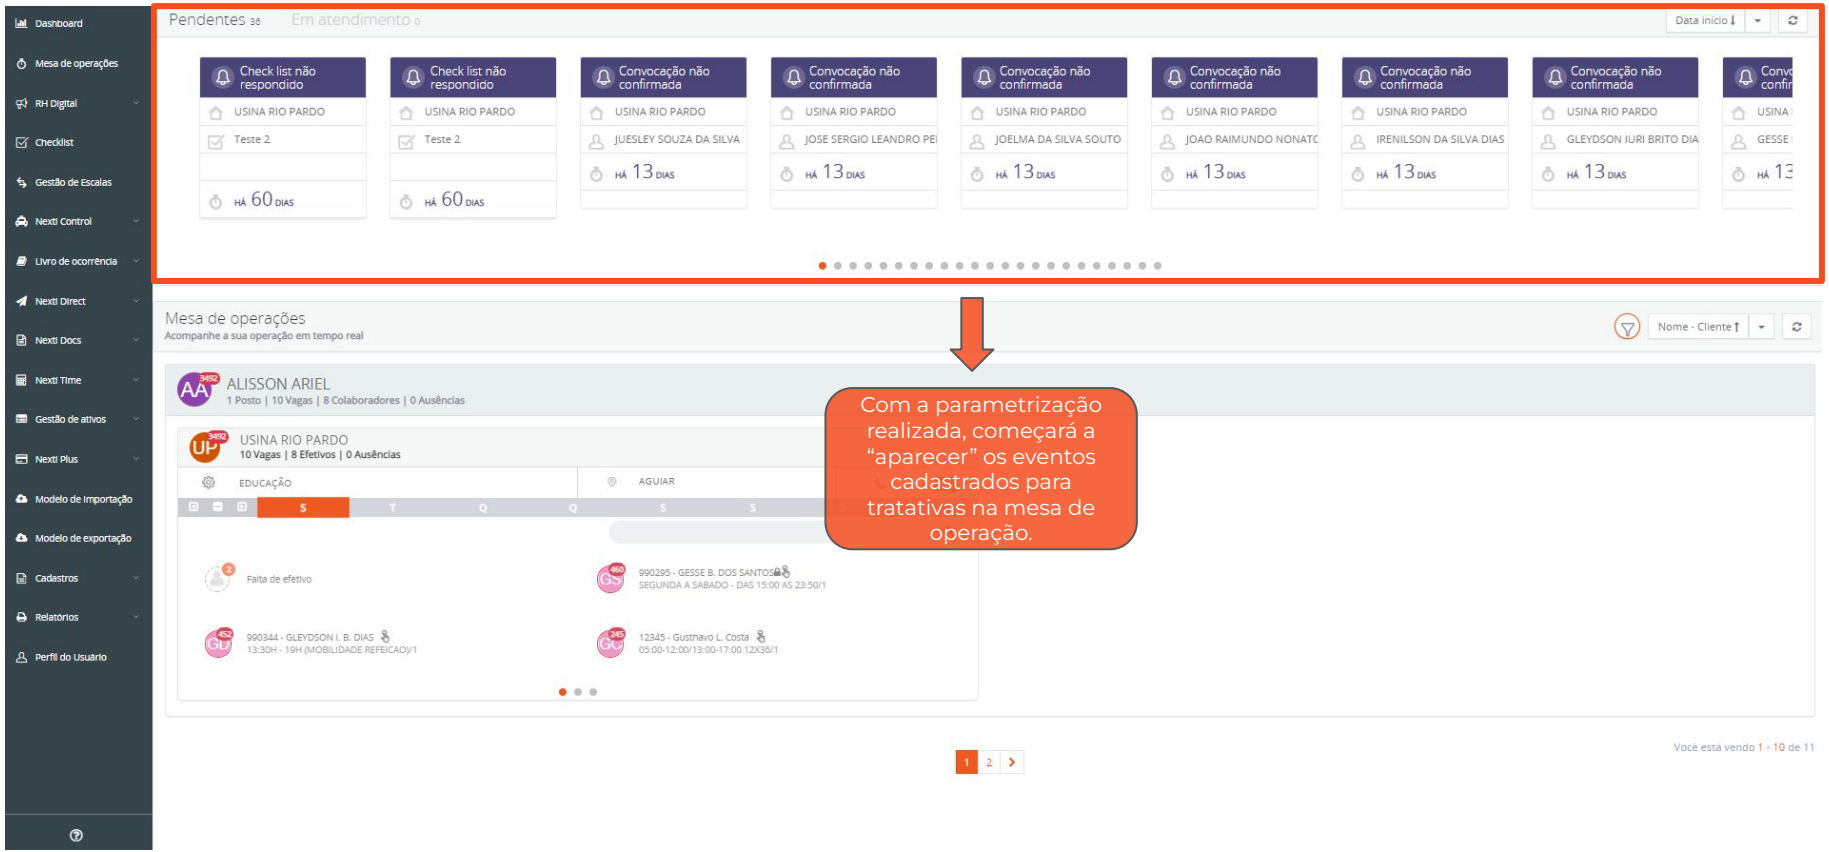

MENU

Ponto Positivos

- Coletas de Ponto
- Ajustes e Tratativas das Marcações
- Segurança do TBI
- Portal Colaboradores
- Control em Tempo Real

MENU

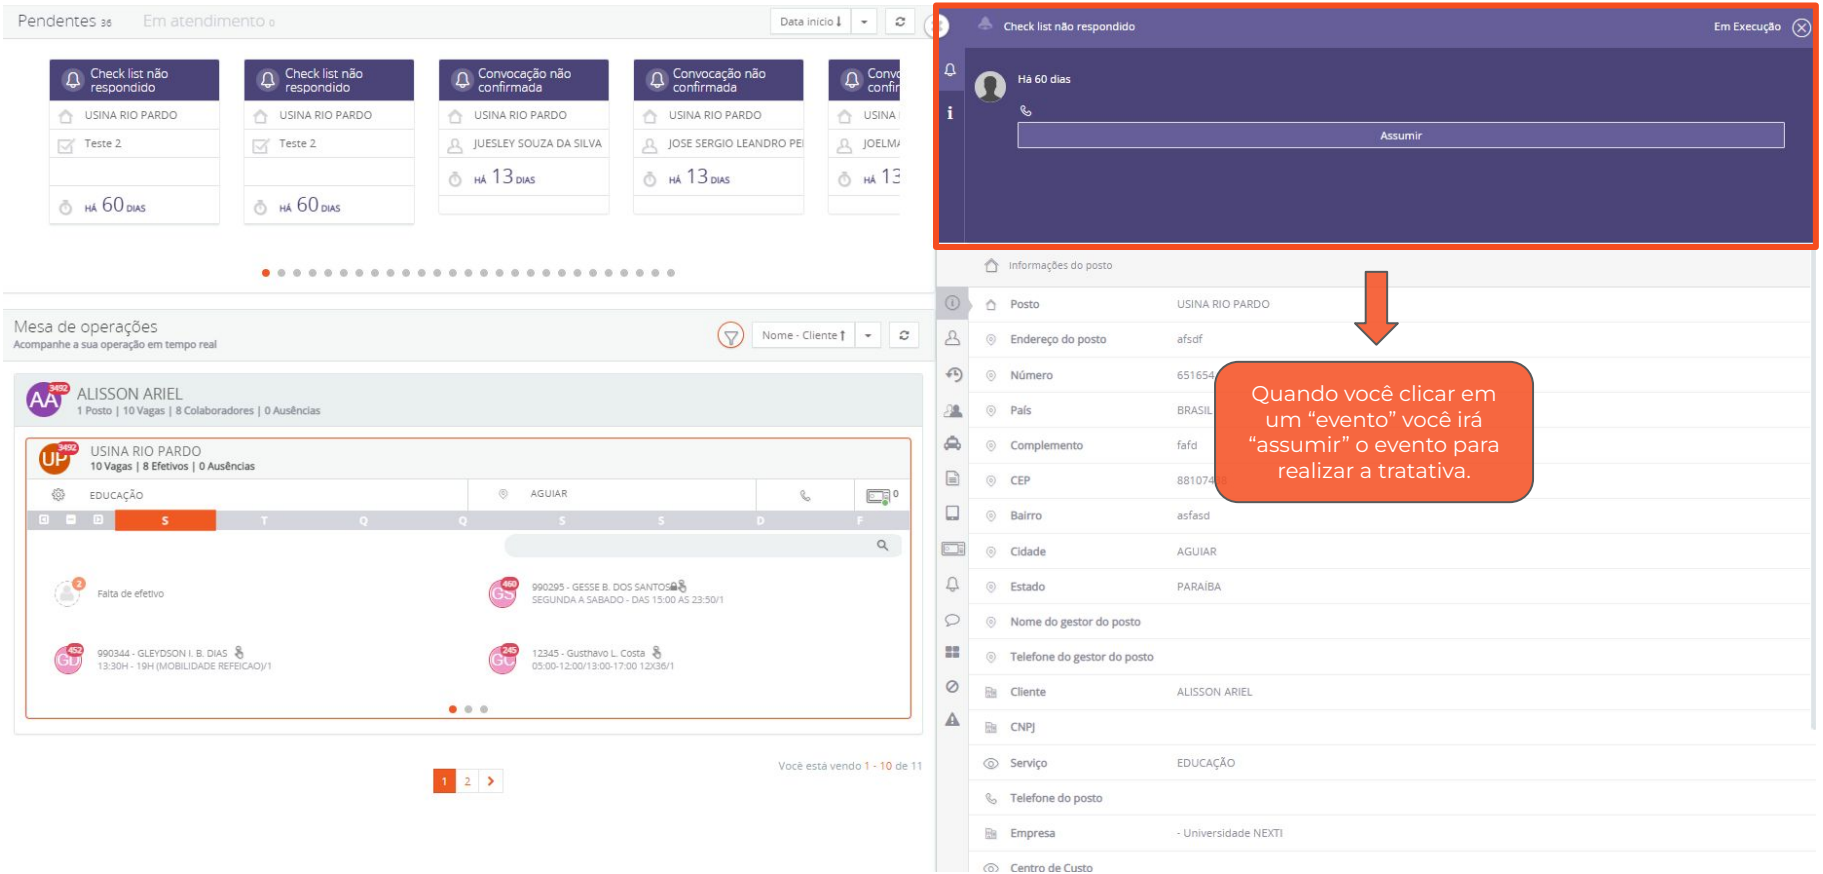

Nexti Prime - Alertas

Com a parametrização realizada, começará a "aparecer" os eventos cadastrados para tratativas na mesa de operação.

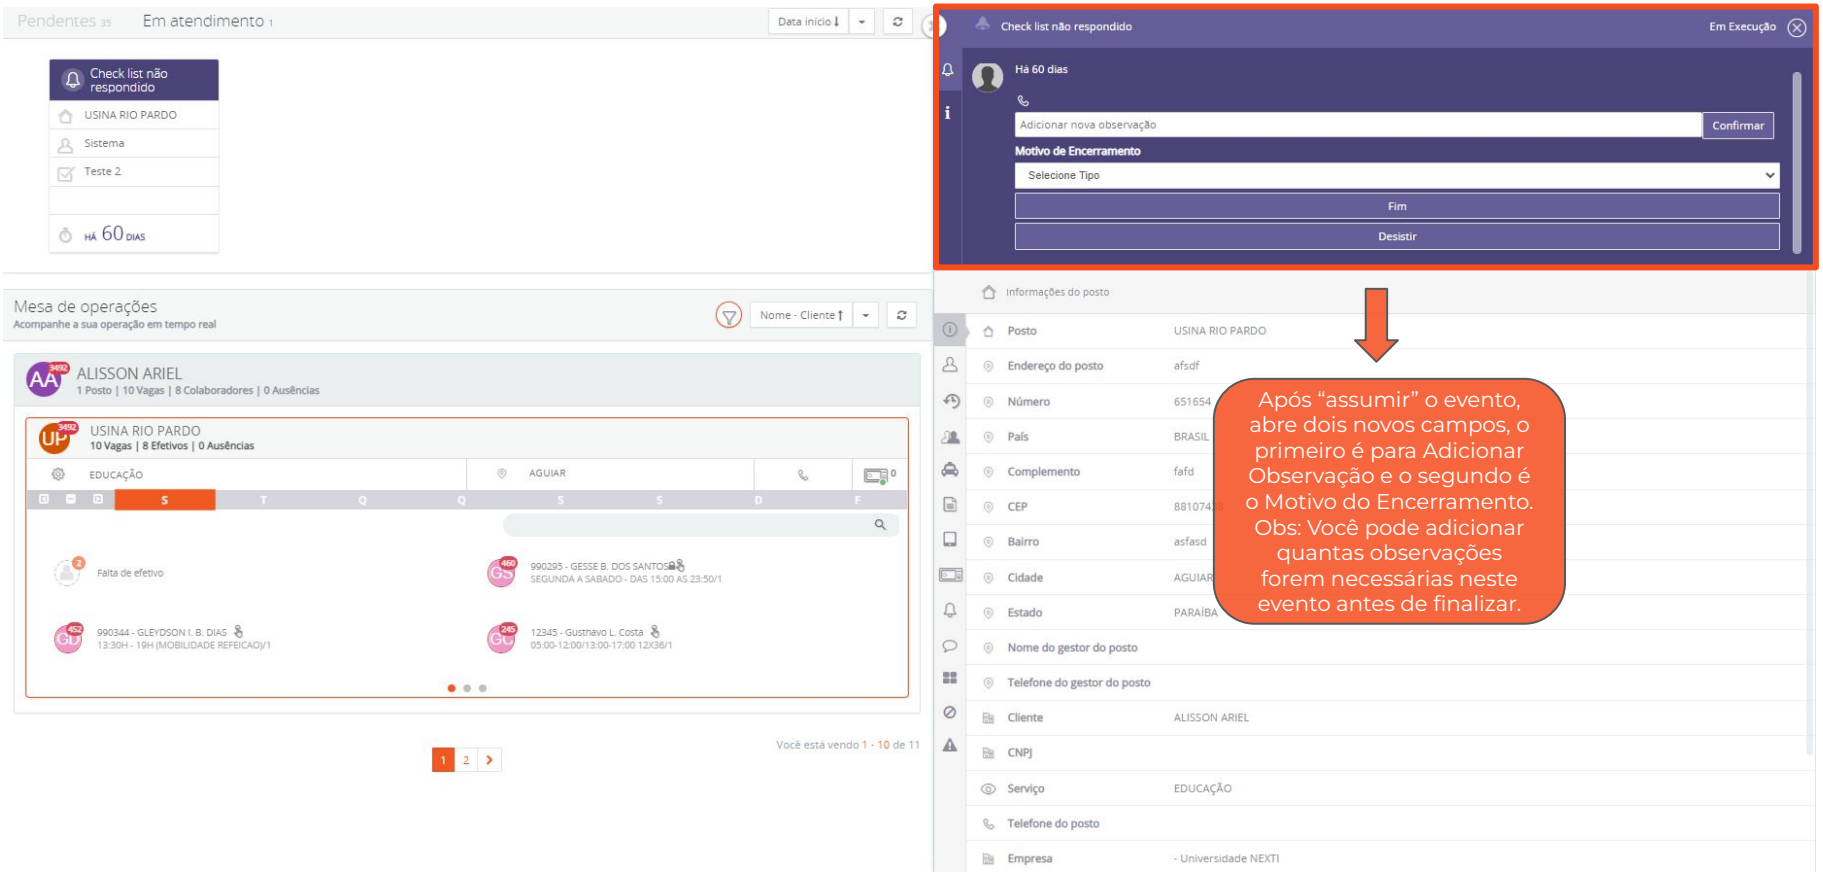

MENU

Nexti Prime - Alertas

MENU

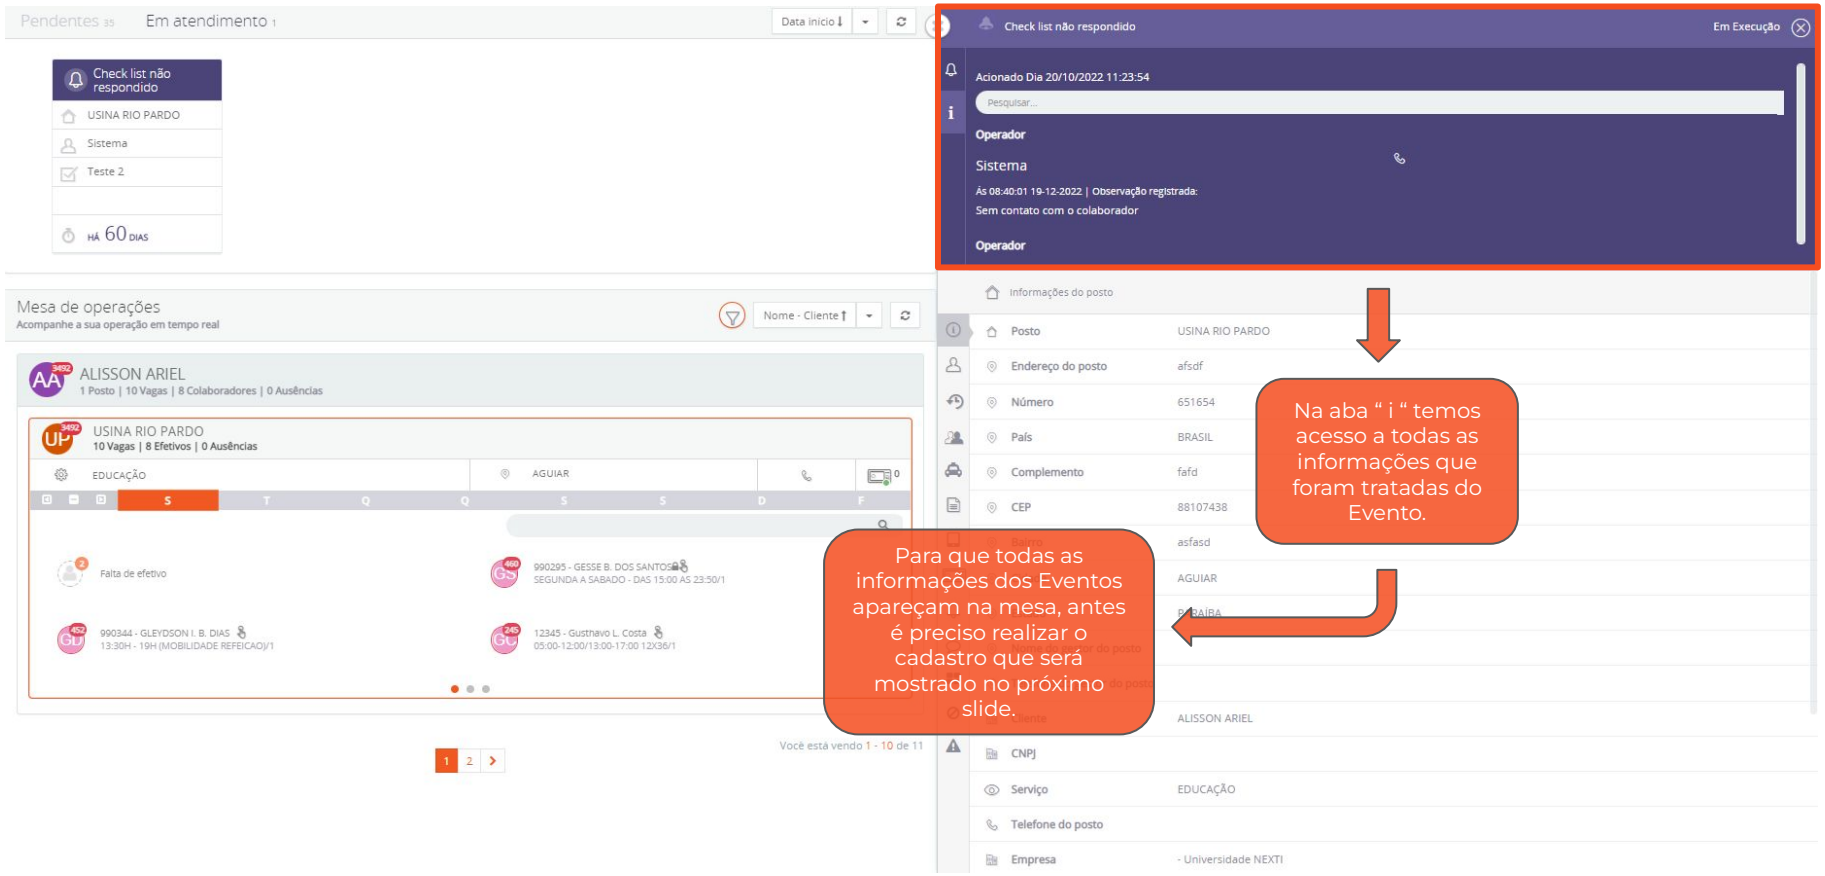

Nexti Prime - Alertas

Após “assumir” o evento, abre dois novos campos, o primeiro é para Adicionar Observação e o segundo é o Motivo do Encerramento. Obs: Você pode adicionar quantas observações forem necessárias neste evento antes de finalizar.

Nexti Prime - Alertas

Você pode customizar a cor do Evento que irá aparecer na mesa

Se está ativo ou não

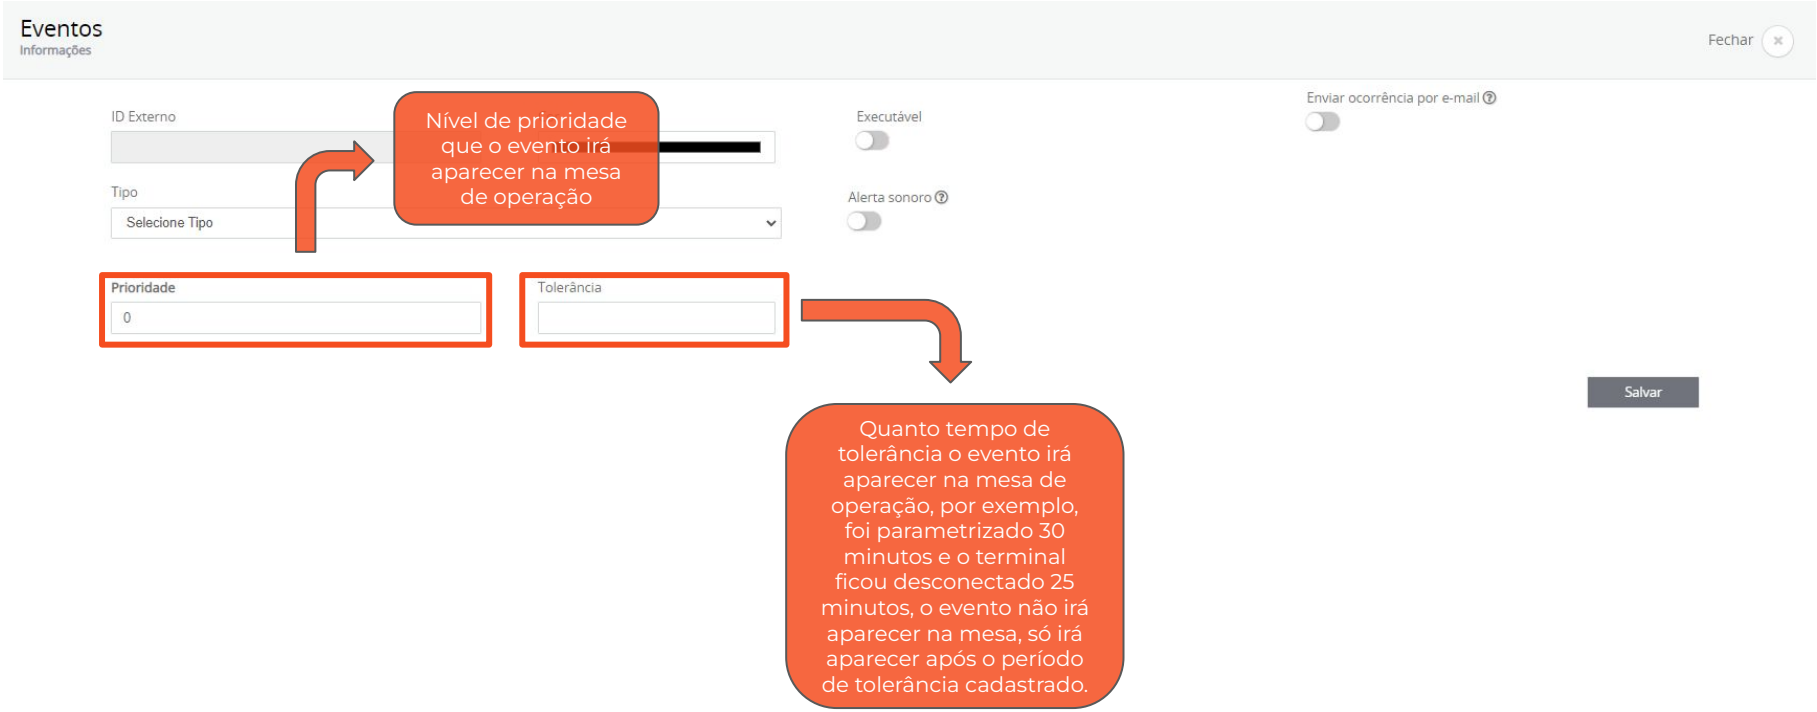

Quando ativado, assim que cair um evento novo será emitido um alerta sonoro.

Será enviado um e-mail para o cliente vinculado ao posto quando surgir uma nova ocorrência.

Selecionar o tipo de evento que irá ser cadastrado para aparecer na mesa de operação.

Na primeira opção é possível liberar todos os colaboradores que estão "lotados" no posto no qual você cadastrou o terminal, ou seja, irão ficar em formato de lista no terminal para serem cadastrados.

MENU

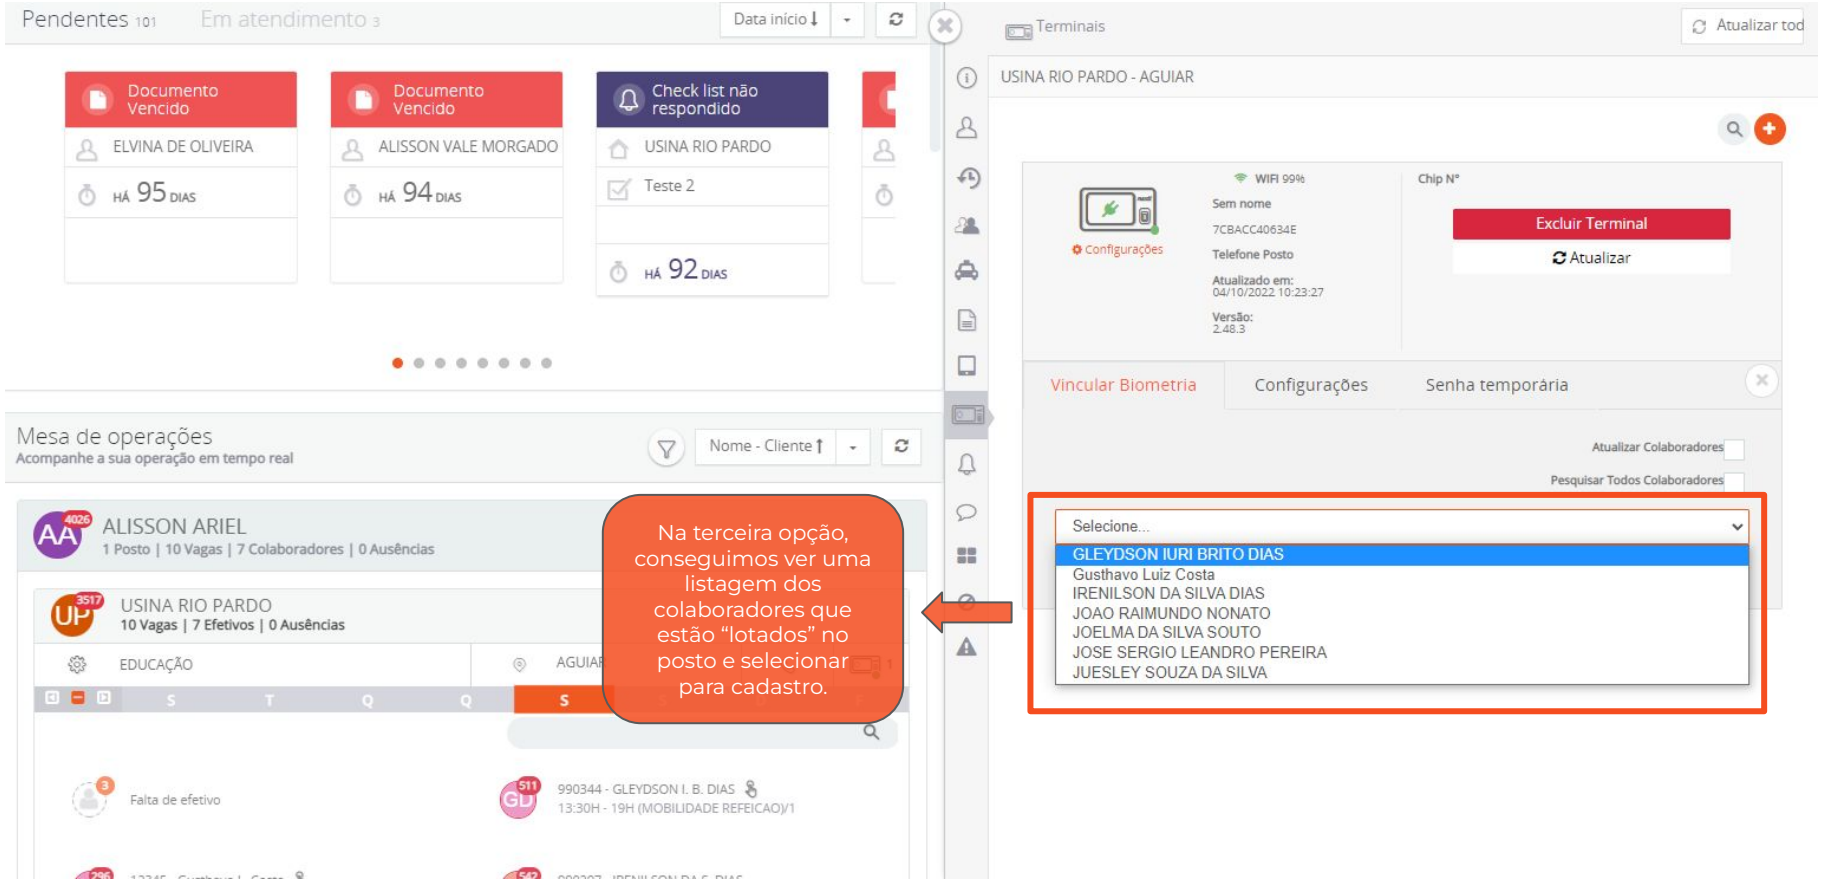

Nexti Prime - Posto

Na segunda opção, você consegue localizar um colaborador que esteja “lotado” em um outro posto para cadastro da biometria/senha.

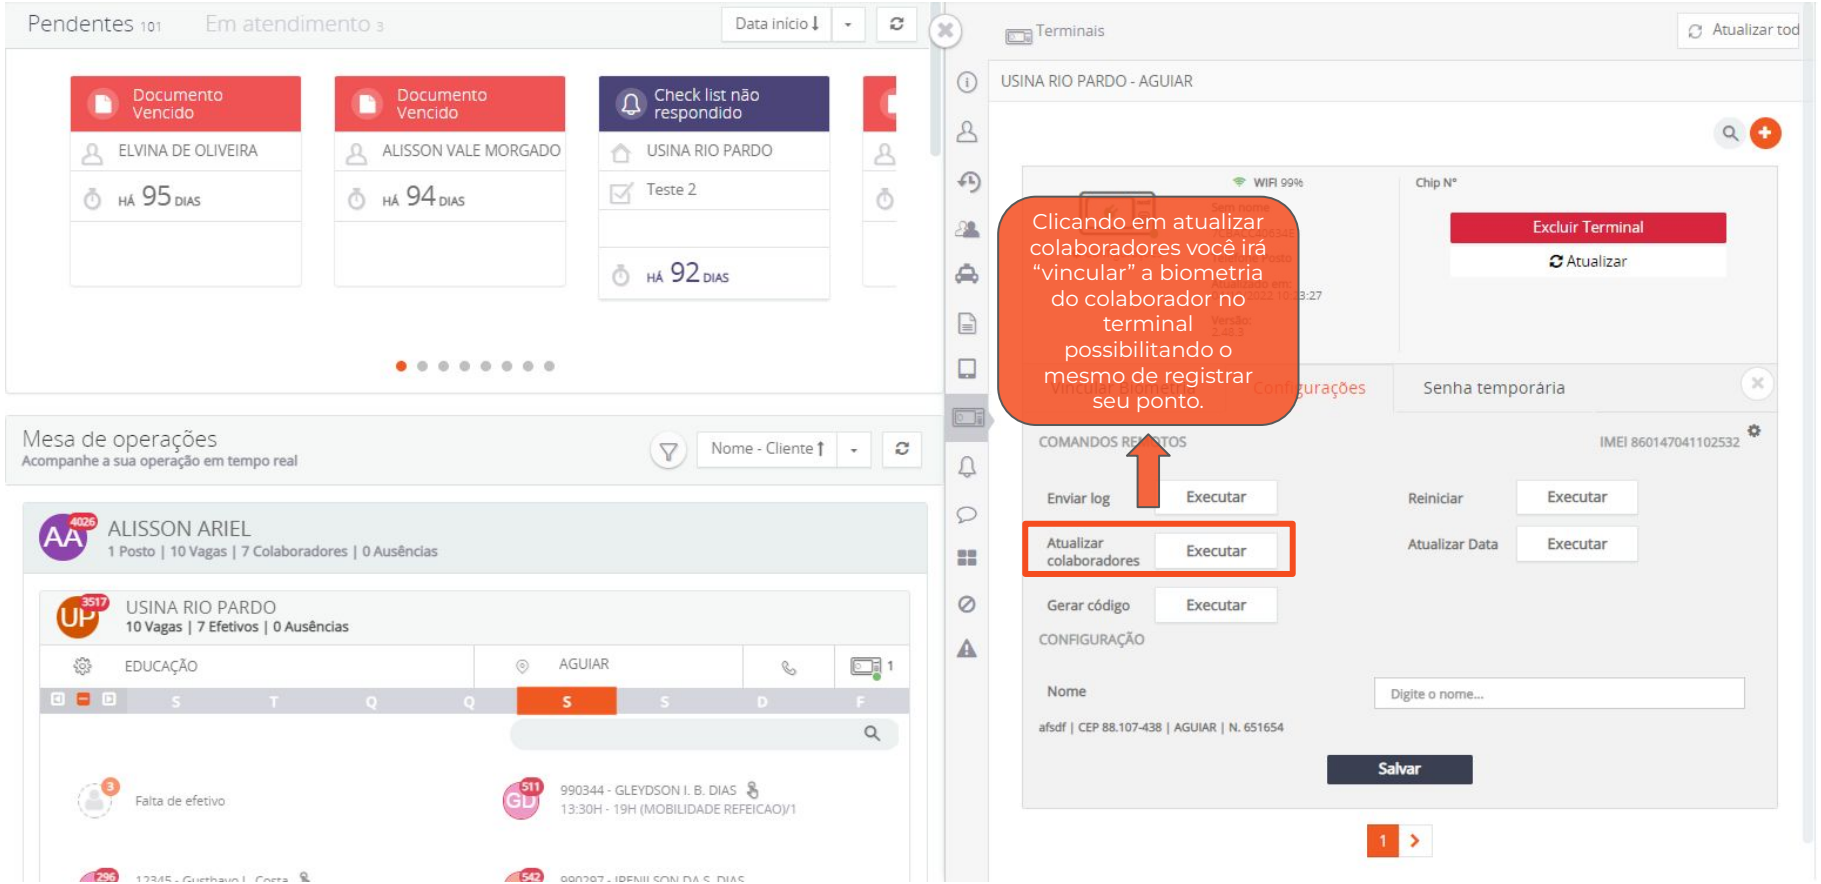

MENU

Nexti Prime

Você tem a possibilidade também de lançar a ausência por período, Entrada e Saída é o período no qual o colaborador ficou ausente no posto.

Exemplo:

Colaborador trabalha das 05:00-12:00/13:00-17:00 e se ausentou do posto 12:00 as 15:00
Em Entrada você irá informar 12:00 e saída às 15:00.
